**Shapes** assists you in manufacturing and sourcing bespoke art and accessories for your hospitality or commercial projects. We also create original art concepts with designers and artists specific to your project, giving an artistic edge in the market.

We have years of experience working with interior designers, artists, art consultants and project owners to deliver custom art that will enhance your patron's experience by enhancing the interiors of your project.

It's quite simple for us – **we love art!**

**Shapes** is a sub-brand of GMK Global LTD, a procurement and sourcing company with international offices and over 30 years of procurement experience. We've worked on art projects in the United Kingdom, Middle East, South Africa and other African Regions. Our procurement and manufacturing requirements over the years have taken us to various parts of the world and helped us establish relations with some incredible suppliers. They have shown artistic capabilities and proven quality supply for big or small quantities.

## Services

### **Project Art & Accessories**

Procurement, manufacturing and global logistics for hospitality projects big and small. We work with several manufacturers globally and ensure lasting quality, timely delivery and value.

### **Bespoke Manufacturing**

We deliver your designs. We manage bulk manufacturing from drawing approvals to QC and delivery to site. Our experienced manufacturing partners work with various materials and finishes.

### **Art Consultancy**

We can advise on art products that go onto your walls, floors and table tops based on your styling, interior selection and themes. We work with your interior designers to provide a package that compliments your project.

### **Concept Creation**

Most interior spaces require designs, materials and installations that complete it and provide a lasting impression to its visitor. Our artists and designers can help design original concept artworks for your lobby, public area and guest-rooms.

# S / Manufacturing

We follow our manufacturing closely with our diverse supplier range, covering various skill sets.

Working with the artist workshops and production facilities helps us keep control of the quality we deliver to our clients and ensures the specifications set are followed closely.

Hospitality and commercial interiors are a competitive field where patrons, media and owners have their eye on being unique and talked about.

**Shapes** can assist helping to create unique original art concepts keeping manufactureability in mind as well as material and aesthetics.

Our designers and artists keep the interior decor, lighting, themes and colours in mind to create visual concepts that will compliment all of the above.

We can provide concepts for wall art, table sculptures, wall sculptures, indoor and outdoor floor sculptures and large outdoor landscape sculptures.

# Concept Creation

# S

# Concept Creation

A work flow example of a concept we created for a hotel lobby

1 - sketch and concept

2 - render, materials and approvals

3 - prototyping in scale

4 - epoxy model in scale

5 - fabrication against model

6 - finishing and installation, packing

Our project portfolio shows experience from basic prints on canvas to large scale installations.
